THE AMERICAN SOCIETY  
OF INTERIOR DESIGNERS  
CALIFORNIA PENINSULA CHAPTER  
PRESENTS

THE 20TH ANNUAL  
ASID  
DESIGN  
AWARDS

The American Society of Interior Designers (ASID) is the oldest and largest professional organization for residential and commercial interior designers. With more than 30,500 members, ASID establishes a common identity for professionals and businesses in the field of interior design.

The California Peninsula Chapter covers the entire San Francisco to Monterey Peninsula and includes over 400 interior designer members from San Mateo, Santa Clara, Santa Cruz and Monterey counties.

These are cutting-edge professionals who maintain the highest level of design standards. They are experts at satisfying their clients' diverse needs while effectively working under budgets and deadlines.

Each year, the California Peninsula Chapter sponsors a design competition to honor those designers who have fulfilled their clients' requirements by providing successfully executed design plans.
